# ICAP Benchmark Family non-material methodology update

Parameta Solutions is committed to transparency when developing or reviewing benchmark methodologies, or considering material changes to its benchmarks as markets evolve and industry conditions change, noting however that the methodologies cannot capture every circumstance or situation.

The public methodology documents located [here](#) will be amended with effect from 18<sup>th</sup> January 2024 relating to non-material changes to the ICAP methodology.

For further information regarding the benchmarks including licensing and distribution, please contact [findoutmore@parametasolutions.com](mailto:findoutmore@parametasolutions.com)
